Horsemanship Rules:

The Horsemanship phase of competition provides an insight into the woman's preparatory and performance skills. In the required pattern portion of the contest, consideration is given as to whether the contestant completes the pattern correctly. In the freestyle portion of the contest, consideration is given as to whether the contestant's freestyle selection fits these skills and her personality. In the Queens ride, consideration is given to the contestant's ability to "connect" to the audience. The Horsemanship competition acknowledges the rider's ability to control her mount.

The categories are: Required Pattern (10%), Horsemanship Interview (10%), and Free Time (10%). At the end of your Free Time, you will do a Queens Run and this will be part of the score. You may change mounts for any phase of the competition; however, this is not a requirement. If you do change mounts, you must have an assistant with your mount waiting for you at the gate. When you are called, you must be ready or you will not be allowed to compete. In freestyle you will be allowed 2 minutes to demonstrate your individual riding ability. Costumes and/or music for your free time event will not be allowed. Bridles and saddles are required at all times. Don't be afraid to be creative, feel free to do something other than a reining pattern. Judges may ask you to dismount, mount or unbridle your horse. You will be asked horsemanship questions.

Dress for the Horsemanship phase of the competition is as follows: blue jeans, plain white shirt/blouse (no sequins, beading, fringe, etc.), boots, belt and hat. Spurs are optional. No chaps.

Eastern New Mexico State Fair Queen Contest
Summary of Scoring

Judged Events

Personal Interview	30%
Speech	20%
Modeling	10%
On Stage Question	10%
Horsemanship	30%

Each contestant is competing against herself and **MUST** receive a score in a 1.0 to 10.0 point range, using whole numbers only.

More than one contestant may receive the same score. The auditors will discard the high score and the low score for each contestant in each phase.

Tie scores will be broken by referring back to Judge #1. Judge #1's score will break the tie. If a tie still remains, Judge #2's score will be used...and so on until the tie is broken. If there is a tie for the overall title, Judge #1 score in required horsemanship will break the tie, if there is still a tie Judge #2 score in required horsemanship will break it, then Judge #3 and so on.

A grievance committee will be in place. The proper procedure, in filing a grievance, is to put the complaint in writing and submit it to the ENMSF Office, who in turn will set up a meeting of the ENMSF Queen grievance committee to discuss the particular grievance. All decisions made by the grievance committee will be final.
